11) Value of proposed work (including labor & materials) _____

Attached are all required construction/demolition documents and other such data and information as required by the Code Official.

I/ We the undersigned, hereby apply for a permit for the purposes described in this application and the attached plans. I/We assume responsibility for the establishment of official property lines before construction/demolition. I/We understand that permit issued subsequent to this application in no way constitutes approval as to the location or grade of any building or structure by the Township unless permittee secured lines, grades, and instructions from Township Engineer.

In signing this application, the applicant verifies that the facts and estimated value set forth herein have been examined and to the best of his/her knowledge are true, correct and complete. Furthermore, the applicant understands that this permit is granted on the express conditions that the stated construction/demolition is in compliance with the Municipal Ordinances and the Universal Construction Code and may be revoked at any time upon violation of any provisions of the said Ordinances. Falsifications of information may result in a criminal prosecution.
